Uniting for Awareness

World AIDS Day Commemoration at GPC Budgam

Chadoora, 1 Dec 2023, – In an effort to raise awareness and educate the community about HIV/AIDS, Government Polytechnic College Budgam celebrated World AIDS Day with a series of impactful events.. The main highlights of the commemoration included insightful speeches by students, a soulful group song, and an address by the college principal. The event began with thought-provoking speeches delivered by students, who passionately addressed various aspects of AIDS awareness. The students took the opportunity to share crucial information about the transmission, prevention, and societal impact of HIV/AIDS. Their speeches aimed to dispel myths and misconceptions, providing accurate and up-to-date knowledge to the college community. Adding a creative and engaging element to the commemoration, a group song was performed by talented students. The musical presentation not only entertained but also served as a powerful medium to convey messages about AIDS awareness. The highlight of the event was an insightful address by the college principal, who emphasized the significance of World AIDS Day and the college's commitment to creating a well-informed and compassionate community. The principal encouraged responsible behavior, empathy towards those affected by HIV/AIDS, and underscored the importance of ongoing education and awareness initiatives.

Dr. Shafaquat Ara, principal GPC Budgam said, “On this World AIDS Day, let us join hands in solidarity to raise awareness about HIV/AIDS and foster compassion for those affected. As we reflect on the progress made and challenges that persist, let us pledge to dispel myths, promote accurate information, and reduce stigma. It is through understanding, empathy, and education that we can create a world where everyone has equitable access to prevention, treatment, and support. Together, we can make a difference in the fight against HIV/AIDS and contribute to building a healthier and more compassionate global community. By organizing these events, the college is contributing to the global effort to prevent and manage the spread of HIV/AIDS, reinforcing the importance of accurate information and support for those affected by the virus.”
